BARONIAL BUSINESS MEETING

The November business meeting will be held Tuesday, October 3 at 7:30 PM, at the Southern Maryland Higher Ed Center in California. **Directions Note: Take *Airport Road*, not *Airport View*

Baronial Business Meeting

Minutes

September 12th, 2006

Old Business

Baronial Polling

Next meeting, we'll discuss shortening the timeframe for baronial polling, since the charter currently has four months. Needless to say, that timeframe will be abbreviated for the current polling.

If you're interested in putting your name in for Baron and/or Baroness, you need to inform Rose. Johanna will handle the actual mailing out of polling info.

Estimated timeline from Rose: Polling letters will probably go out early or mid December, with a few weeks to write in to their majesties. Those interested in running need to decide by mid to late October, Halloween at the latest.

A mid-November (after Baronial Birthday) meet and greet with the baronial candidates is planned.

There are currently 3 Baronial Candidates:

- ◆ Alisandr & Gwenllian
- ◆ Erwin & Mary Isabel
- ◆ Muirghen and Lore

New Seneschal

Tom is not warranted yet; barony members have three or four days to talk to Mistress Johanna or Mistress Fiona if you have any comments. None have been sent in so far.

Since we only have 1 candidate, the scheduled "Seneschal Candidates Meet & Greet" is canceled.

Demos

Blessing of the Fleet – Muirghen talked to coordinator yesterday. We have our preferred spot in front of the museum. We'll have a place to change, and it's close to bathrooms. We'll be given money to buy food.

Be there no later than 9 to set up, as it takes a good half hour to an hour. Parking is also an issue if you get there later than 9. Muirghen will post directions to the list. The event usually closes down around 3; we should be out by 4.

Adriana and Alisander will print flyers.

Kiri has offered her pavilion for cover.

Anne Marie Gardens

They did receive our paperwork. We were in the first batch of sign-ups; Alisandr will be getting a confirmation soon. He needs to purchase candy in the next couple weeks. (Lore has some to kick in.)

Alisandr would also like a nose count of people coming. This demo is October 28, 11-4, and you do not need to come for the entire time.

Those present who will be attending: Rose, Kiri, Theron, Adriana, Matt, one of Lore & Cathal (the other will be with the twins), Alisandr, Serena, and Mathias. (9 people)

Please come in garb and bring A&S to display. Alisandr wants to see if we can have a little spot to do slow work if we can't fight. Whether we end up fighting or not, wearing armor is still a good idea.

Money Items:

Serena has been working with the following people on barony spending:

- ◆ Gwenllian still has money for kid crafts; she's waiting for a sale.
- ◆ Alex is waiting until closer to the demo to buy candy.
- ◆ Adriana bought clip art books for her office as Chronieler and is submitting receipts tonight.

Shed

Currently, no one has volunteered to house a baronial shed, which would be a first step before purchasing one. It requires some backyard space and willingness to give the barony access to it. (A formal contract would be drawn up as far as ownership, access, etc.)

The idea of getting a baronial shed will be discussed again next month.

Birthday

Monday the 9th at 7, site field trip. Directions are on the Birthday webpage

Rose has a volcano kit as a potential youth prize.

Adriana also presented info from the meeting (which was similarly posted to the Seadogs list and is reprinted below).

We had a very productive meeting today. We have a schedule 90% mapped out. Here are the high points for those who weren't there.

-Because we can get into the site on Friday and several of us have the day off to set up, we're moving the site opening time to 9 AM. This allows more time for authorizations and should hopefully help us keep things running on time.

-I've e-mailed the site requesting a date we can go look. I asked about a couple Sundays this month, as well as weeknights. Sue replied and will call me tonight when she has her calendar in hand.

-Minna will be getting a block of hotel rooms and will let us know prices and contact info when she has that information. We can also use crash space. Lore volunteered, as did Hank & Minna, but someone closer to the site might be good. Any volunteers from up in Charles?

-Bobbi still needs troll staff. She's doing a class after Tuesday's meeting for those who are interested.

-Decorations: Hank has an arch that will be used as our bridge over troll. Lore and Minna also volunteered to help paint decorations. They want to do some movie scenes as backdrops, possibly with face cutouts (like the ones at fairs, Ren Faires, etc., where you can get a picture taken).

-Since we're not doing dayboard, we're leaving an hour between tourneys for people to take a break for lunch, and we'll have a list of places to eat in Waldorf available at troll.

-Gormr is definitely running clean-up. He'd like to request that everyone who can stay to help clean up. We don't have a set time we need to be done, but the more people help, the sooner we can all go home and **sleep**.

-Kier, Cecilia, and Adriana are helping Serena finish site tokens. She has the design done but will need some help cutting, stringing, etc.

-We will need to do some signs warning people to stay out of the woods due to hunters. We're postponing discussion of that until after the site field trip, so we can see how best to mark things.

-Gormr has been asked to speak with our official Lochmere liaison to find out who ran dancing at Lochmere's Feast of Phillip the Good...We'd like to have dancing at the event, but don't have anyone in the group to run it. (Actually, Isolda, since you're on the list, consider yourself asked if he forgets. :))

-Through a magical feat of scheduling, we managed to figure out a way that we can do thrown weapons without running out of daylight. We'll have the archery and thrown weapon ranges basically parallel to each other, with a common marshal/inspection area for both. Archery and thrown weapons will run from I-4, with people coming in and shooting and/or throwing things as they have a chance. Scores will be tallied up, but people won't contest head-to-head unless there needs to be a tie-breaker. What we do need for this to work is a thrown weapons marshal, since Muirghen can't cover that whole time. He's looking into that; anyone who knows of any who might be interested, please let him or me know.

Things People Need:

-Hank needs stuffed animals for children's archery. Note that these will be *targets/prizes.* Kids will get to keep any stuffed animals they hit.

-Kier needs an A&S prize for the II-I4 age range. Craft kits from Target were suggested as an option. (Kier also needs other supplies & will be posting a complete list on the e-mail list.)

-We still need judges for the A&S contests. As Alex is in charge of A&S, talk to him if you're interested or know anyone who might be. Kiri and Alex are working on finding people.

-An A&S class of any sort would be very spiffy. Any teachers want to volunteer?

Middle Eastern

Lore reports that the event is getting some good response on ME list. People offered to sponsor A&S contests.

She still needs a royalty liaison—Theron has been voluntold.

Challenge

Mathias will look over potential site during Birthday field trip and talk to them about possibility. He's also still trying to deal w/ King's Landing, but is having trouble getting new contract.

He will post to the list with staff requests...most jobs are still open. Mathilde wants to offer to serve high table. Contact Mathias if you're interested in a position.

New Business

No new business was brought up.

Officers' Reports

Seneschal

Theron will most likely be our next seneschal. He has talked to Johanna and will talk to her and Fiona at Crusades. No one from the barony has commented either way. If you have issues, concerns, or questions, please bring them to his attention so they can be discussed.

Theron talked about his intents, should he become seneschal. He wants to point out that he's not a fan of e-mai; he likes to talk to people. If you e-mail me with a concern and you live nearby, expect a knock; if you're further, expect a phone call.

He also expects to make full use of all officers to answer questions pertaining to those offices.

He had a brief note on personality conflicts—if you come to him with those issues, he will assume that you have exhausted possibilities of speaking to the other person personally and want him to mediate the problem with a solution.

If it doesn't concern the business of the barony, such as money, kingdom law, notes to kingdom, it goes into 1 of 2 categories—personal problem to be dealt with personally, not as a baronial issue, or an issue with the game (as opposed to the business). Theron feels that issues pertaining to the game side shouldn't be dealt with by the seneschal, but by the B&B, autocrat, etc. (He gave "how to decorate the hall" as an example of a "game" rather than "business" issue.)

Theron also requests no calls after 10 PM or before 9 AM except in the case of an emergency.

Rose wants to thank barony for the support they've been providing to her as she found this position dropped on her. She thanks everyone for making something that was really scary actually pretty easy.

Cathal has agreed be knight marshal, unless there's some objection, assuming Theron takes over as seneschal.

Exchequer

Alex was paid \$9.99 for a foam display for demos. This came from general supplies.

Amalia was paid \$135.00 for the six baronial officers' medallions.

Serena is still working with those who have funds approved for them for spending but that haven't been spent yet. She's still waiting on Theron regarding the list fence (\$40 approved) and baronial tent repair (\$20), on Alex regarding candy for the Halloween Demo (\$50 approved), and on Mathias regarding general Quartermaster supplies for storing loaner gear and kitchen supplies (\$75 approved).

Serena is head troll for Baronial Birthday. If you would like to help out, please, *please* do so. You will need to contact me ahead of time to take the class if you haven't already done so.

We have \$3190.16 in our account at this time.

Chronicler

The only new thing to report on the Chronicler's side is the purchase of three clip art books (also mentioned earlier in the minutes). I now have three clip art books: Heraldic Images, Arms and Armor, and Celtic Designs for Artisans and Craftspeople. The Heraldic Images & Arms and Armor book belong to the barony and will stay with the office. (I've mentioned these to Mathias so he can include them in the inventory.) The Celtic design book will be kept as personal property, (paid for by me and not reimbursed) since I'd like to have it for other uses. All three books are available for the use of anybody in the barony who needs them for flyers, children's coloring pages, etc. The books each came with a CD, so the pictures are making their way onto my computer.

Herald

Nothing new to report from the herald. Mathias reminds everyone to inform him of any submissions.

Knight Marshal

Society Marshal's handbook has major changes going into effect December 1st. Print up the new marshal's handbook & throw the old one out. 15 out of the 29 pages have changes. Major examples:

- ◆ Shield elbow has to be protected with rigid protection. A shield alone or a shield with soft padding is not sufficient.
- ◆ Any rigid armor has to have ½ inch of padding underneath.

New Marshals and MITs:

Adriana's now a marshal. Mathias has 2 MIT slots left.

We still need more marshals, especially youth marshals.

Those interested in becoming a youth marshal should talk to Willaim the Younger in Storvik or Lady Giselle, the kingdom youth marshal.

Theron wants to do a marshal's day where we as DC marshal someone else's event en masse. MITs & marshals both. This gives us a chance to help out another group and gives our MITs a chance to get their slots taken care of and become marshals.

Let Theron know if you want to go marshal at Storvik's event in 2 weeks. If that's too short notice, let's look at the next Storvik or Ponte Alto event.

Theron's highlighted handbook will be at fight practice so other fighters can familiarize themselves with the changes.

M.O.M.

Gwen reports that she's all set for Birthday and 90% set for Middle Eastern. For Challenge, she has more ideas than she knows what to do with, and the trick will be weeding down to the best activities.

At B-Day, there will be a scavenger hunt for older kids: a grail quest. Gwen needs people to pass out clues. Also, at troll, we need to let people know that kids will be on a scavenger hunt & you might get pestered. Gwen will print this info to post at troll

Name that Frog—Children's Activities has a new mascot, a stuffed frog dressed as a jester. Barony members are encouraged to submit name suggestions, and Gwen will pick the best for her new mascot.

M.O.L.

Lore needs a new deputy. She assures everyone that being an MOL is relatively painless.

“Chirurgion”

Minna reports that we have six bottles for use in waterbearing and can purchase six more. She'll be getting in another apprentice slot at Birthday.

Webmaster

Matt has volunteered to take over as webmaster, with Cathal as his deputy. If you find mistakes, problems, things you want added to the webpage, or areas for improvement, please let Matt know. He's open to all suggestions.

Baronial Documents

In the pages that follow, you will find our baronial financial policy, which was made official with its printing in the August Clyffe Notes, as well as the new baronial charter, which was approved at

The Baronial Financial Policy

Dun Carraig Financial Policy

Effective: 24 July 2006

I. Concerning this Policy

A. All provisions of this Policy are subject to Kingdom Law & Corpora.

1. The Financial Policy for the Barony of Dun Carraig is established in order to provide adequate control of the financial transactions of the Barony. B. This Policy may be amended as follows:

2. After review by the Financial Committee, all amendments must be presented to the populace at a Baronial business meeting with the Financial Committee's recommendations. A vote will be taken of the

entire populace present who are paid members residing in Dun Carraig aged 16 years or older of the Society for Creative Anachronism, Inc. each having 1 vote.

3. When approved by the populace, it then is forwarded to Regional and Kingdom for final approval. When approved by Kingdom, the amendment shall take effect upon publication in the next issue of the newsletter.

B. The Barony shall have a Financial Committee, constituted by an odd number of members, which is chaired by the Exchequer and consists of the Seneschal; Chronicler; Herald; and the current Baronage. In the event that the Barony has both a Baron and Baroness, both will be members of the Financial Committee but they vote as a single member.

1. The minimum number of votes to authorize the distribution of funds shall be three. The Exchequer and Seneschal must be present.

2. In the event that any of the committee members cannot attend a meeting of the Financial Committee, their Deputies (as designated and published in *Clyffe Notes*) may attend in their stead.

a. No proxies will be accepted.

b. Under no circumstances will any single member carry more than one vote.

3. If the Financial Committee meeting attendees consists of an even number of members, the requirement to maintain an odd number of members will be met by placing the MoL on the committee for that meeting.

a. If there is no MoL at the time of the meeting, the Knight Marshal will fulfill the requirement.

4. In the case of any tie votes, the issue at hand will be tabled pending discussion at an open business meeting.

C. Authorization for disbursement of funds

I. Disbursement for routine expenses (e.g. rental of meeting rooms) incurred through scheduled events, newsletter publication, or contractual obligations will be authorized in the following manner:

a. Purchases of supplies for an Office which do not exceed \$20 may be made without prior approval; however, the Exchequer retains the right to withhold reimbursement. This decision may be appealed to the Seneschal.

b. Purchases or obligations for the Barony which do not exceed \$50 require the prior approval of the Seneschal and the Exchequer.

c. Purchases or obligations for the Barony in excess of \$50 but which do not exceed \$300 require approval by a simple majority of the Financial Committee.

d. For expenses over \$300, the Financial Committee will make its recommendation to the populace at a Baronial business meeting. The populace will then vote as a committee of the whole with those who are paid members residing in Dun Carraig aged 16 years or older of the Society for Creative Anachronism, Inc. each having one vote.

e. For purposes of determining eligibility for voting in financial matters, a roster of paid members shall be kept by the Seneschal and/or Chronicler. The roster shall include Modern Name, SCA Name (when possible), Membership Number, and Expiration Date.

f. For event related expenses the Autocrat is considered to be a deputy to the Seneschal. Before funds can be disbursed, the Autocrat must specify to the Exchequer where on the budget that the expense falls.

g. No proxies will be accepted for anything financial.

2. For reimbursements, all receipts for event related expenses shall be turned into the Exchequer within seven days of the event completion.

3. For cash advances, all receipts and remaining cash shall be turned into the Exchequer within seven days of the event completion.

4. The Exchequer and Financial Committee shall report all approved expenses or obligations at the Baronial business meeting following their disbursement.

BARONIAL CHARTER

(approved at the September Barony Meeting)

Dun Carraig Baronial Charter

2. The remainder of this Charter shall remain in effect.

3. The action will be published in the next issue of the newsletter.

B. This Charter may be amended as follows:

1. A proposed amendment must be submitted at a Baronial business meeting.

2. If the consensus of the meeting is that the proposed amendment is a good idea, a meeting shall be selected at which to conduct a vote.

3. The proposed amendment shall be published in two issues of the newsletter before the meeting designated for the vote. If approved by 60% of those voting, it shall take effect upon publication in the next issue of the newsletter. II. Baronial Heads

A. There may be either a Baron, a Baroness or both.

B. The Baron and/or Baroness shall serve for a term of two years. At the end of the term the Baron and/or Baroness may request to serve another term provided it is not in violation of Kingdom Law and is the desire of the group and the Crown for them to do so.

C. Candidacy for Baronial Heads

I. Candidates may be self-nominated or nominated by another person.

a. All nominations must be made at a Baronial business meeting designated for that purpose.

b. If a potential candidate is not present at the meeting where s/he is nominated, the Seneschal shall inform them of their nomination.

c. If the candidates choose to accept their nomination, it must be done so in writing, to the Seneschal, by the next Baronial business meeting.

2. Persons nominated to serve as a couple must agree to do so.

3. All candidates must agree in writing to the provisions within the Charter for term of office and selection of successors, and must pledge to maintain them.

D. Polling to determine the membership's preference for Baronial Heads shall be conducted as prescribed by Kingdom Law and no less than 4 months before the planned investiture.

I. Pollings, in accordance with Kingdom Law, shall be sent to all members of the Society for Creative Anachronism, Inc., who reside within the ZIP codes belonging to Dun Carraig. Each polling shall contain the names of all candidates, a deadline date for returning pollings, and a signature line.

2. Pollings will be sent to associate members of Dun Carraig who request a polling and are members of the Society for Creative Anachronism, Inc. Pollings will be sent at the associate member's expense. The Seneschal shall send to the Crown a list of all associate members requesting pollings prior to the polling deadline.

3. Dun Carraig shall request that the Crown determine their choice as the new Baron and/or Baroness within a month after the polling deadline and that the choice be communicated to the Dun Carraig Seneschal in order to facilitate an orderly transition.
